

BURLINGTON COUNTY HEATER REPLACEMENT PROGRAM

Homeowners whose household income is at or below HUD's very low income limit may be eligible for grants of up to \$5,000 to replace existing heating systems. Senior citizens, handicapped or disabled homeowners at or below HUD's low income limit may also apply. If your heater is less than 68% efficient, more than 25 years old, or red-tagged, you may be eligible for assistance. You must live in a participating municipality.* Funds are given on a first-come, first-served basis.
